Search Substance Use or Mental Health Treatment Facilities

Use filters to narrow down your search results and find treatment facilities.

i Search for a location (ZIP Code, County or State) within the Treatment Connection network. This service is available in Delaware, Ohio, Nevada, New Mexico, North Dakota, Maine, Massachusetts, Washington.

Location*

Distance From Location

Facility Name

Welcome to the Massachusetts Behavioral Health Help Line (BHHL) Treatment Connection search tool. Use Treatment Connection to find mental health, substance use, and support services near you. You can also filter results based on your needs. All searches are confidential. **If you would like someone to help you connect to services, please call or text the BHHL at 833-773-2445, or chat with us at <https://masshelpline.com>.** If you are a provider and would like information about your practice to be included in the Treatment Connection search tool, please email MAProviderDatabase@elevancehealth.com for more information on how to do so.

Please note that filtering resources by health insurance (Payment Type) is still in development and additional results will appear soon.

7039 matches found based on your search.
