

At the October Older Adult Behavioral Health Collaborative. we are hosting members from the MA Hoarding Resource Network (which is seeking to reconvene after a hiatus during the pandemic). Last month we hosted the Center for Excellence for Behavioral Health in Nursing Facilities: <https://nursinghomebehavioralhealth.org/>, which provides training and 1:1 consultation to help nursing homes better serve residents with behavioral health conditions. Several Collaborative members were featured in a recent article raising awareness about the rewards of careers in the aging field which was published in NASW-MA journal and online: <https://www.mamh.org/blog/careers-in-aging-a-rewarding-path-that-meets-a-critical-need> October is ageism awareness month- there are a number of good free Reframing Aging trainings, you can find them here: [https://nasuad.zoom.us/webinar/register/WN\\_BYdG7pRITmSp3qiGycAfng#/registration](https://nasuad.zoom.us/webinar/register/WN_BYdG7pRITmSp3qiGycAfng#/registration) and here: [https://dignityalliancema.org/mc-events/dignityma-study-session-reframing-aging/?mc\\_id=61](https://dignityalliancema.org/mc-events/dignityma-study-session-reframing-aging/?mc_id=61)
